SOUTHEND LEIGH & DISTRICT AQUARIST SOCIETY.

We are once again at Temple Sutton school, this year with the right postcode. Follow the A127 right into southend picking up the A1159. Please see the map as to where to go from there. The entrance to the school is from Eastern Avenue.
The show this year is on the weekend of the Air show, see back cover, so make it a family event.

Classes

This year we have 3 championship classes; Pencilfish (Cb); Cichlids (D); Singletail Goldfish (U). We will ensure that class D is near electrical points. Likewise with Catfish (G) which is the Jubilee class.

This year saw the loss of Howard Preston, a well known name and personality in the Livebearer fish world and we are giving a special award to the winner of Platies (R), one of Howard's favourite groups of fish.

Sales table

You can sell your excess fish plants, food and goods (no electrical goods) on the sale table that will be open all day. Please label all goods clearly with name and price. We will provide sheets for listing your goods and will levy 20% commission, so please price your goods accordingly.

Tetra

Created by experts to bring out the best in your fish

Superior to flakes

Excellent fish condition

Two formulas in one

Better water quality

Fish prefer Crisps!

The health and condition of your fish directly depends on the diet you choose for them. That's why Tetra's industry-leading research laboratories developed TetraPro Crisps, to overcome the drawbacks of flake foods. Produced at a lower temperature, and using a completely different production process, TetraPro offers better nutrition for unrivaled health and condition. It also results in less waste production, for improved water quality and clarity. The two-colour process used to make TetraPro also allows the introduction of two formulas into one food, for compounded benefits on top of a complete, balanced diet. What's more, fish prefer Crisps to flakes, meaning they get a diet they love, as well as one that keeps them in great shape.

SHOW RULES

- 1) The show will be run in accordance with FBAS Show Rules.
- 2) Exhibitors are to supply their own tanks; SLADAS will supply tanks for class Z.
- 3) No gravel allowed in Classes B to X.
- 4) Entries in breeders classes will comprise 4 fish not older than 14 months on the day of the show (Not before 26/3/11) and must have been bred by the Exhibitor. The date of birth must be stated on the entry form.
- 5) Top lighting will be supplied for class Ag.
- 6) Photography, filming and video taping will only be permitted after judging with the permission of the show manager.
- 7) Whilst every care will be taken SLADAS cannot be held responsible for any loss or damage, however caused.
- 8) The show hall will be open to exhibitors and the public on completion of judging, approximately 3pm. Other attractions are open all day. Prize giving will be at approximately 5.00pm.
- 9) Debenching will take place prior to prize giving, when announced by the show organisers. No debenching to take place prior to this without permission from the Show organisers, and with a Steward in attendance.
- 10) No animals, other than exhibits and Guide dogs, allowed in the show hall.
- 11) "*Suitability of water*" It is the responsibility of the exhibitor to ensure that the water, in which their exhibits are shown, is suitable for that exhibit. The organizers will not be responsible for any loss of, or adverse effect on, any exhibit caused by the quality or composition of the local or introduced water supply, which may contain chemicals or differ in quality from that which the exhibit is normally accustomed.

Southend Air Festival

Saturday 26th and Sunday 27th May 2012

2012 will be the 27th year that Southend-on-Sea has staged one of Europe's largest free Airshows. The two day event is undoubtedly the most spectacular in Southend's calendar, and 2012 will be no different. This years event is being delivered in partnership with easyJet who are opening a new base at London Southend Airport. www.easyjet.com

On the ground the Festival will look different from previous years with traditional favourites such as representatives from the Army, Navy and RAF, but also with a more varied selection of groups, businesses and organisations represented in various new zones throughout the event site.

Staged against the backdrop of the Thames Estuary along almost 2 miles of seafront, the Southend Air Festival will feature aircraft displays from both military and civilian groups, which will be the crowning glory of the weekend. .
